Dear Miss Lowell:

I have followed your folder for the Virginia and Truckee Railroad with interest.

Could you tell me have you started to lay track and do you have any idea the route it will take in your proposed run?

I would be very interested in obtaining a copy of the legislature bill which you are putting direct to legislature now to achieve your goal.

I would be willing to pay the cost of copy work, etc.

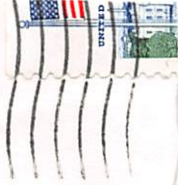

Sincerely,

A handwritten signature in blue ink, reading "R. Raymond Green M.D.", written in a cursive style.
